

USPLK EMPLOYEES FEDERAL CREDIT UNION

Summer 2019
2nd Quarter

Annual Meeting

At our annual meeting on April 6th John Groves, Sharon Lacy and Leonard Lockwood won re-election to the Board of Directors. The other members on the board are Claude Wiedower and Thaddeus Brzustowicz. We appreciate the commitment each member makes to serve on our board. At our annual meeting two questions were addressed. First, if the credit union would offer certificate of deposits (CD's). Your board has approved this request and will begin effective October 1, 2019. Rates and terms are being reviewed. The second question concerned how our credit union accounted for loan losses. Our funding for loan loss is in compliance to regulations governed by NCUA. This is the standard practice for all credit unions. If you ever have any questions or concerns feel free to contact the credit union manager or any board member.

Staff Highlights

Jill Price

Jill started at the credit union in November 2002. She has been your member service representative for many years. Now she also serves as Head Teller! She is pretty much a lifetime resident of Leavenworth and has been employed in the financial institution business for much of her life. She lives with her fiancé, JP and their nine year old, spoiled rotten Pekingese/Yorkie, named Bear!

Alisha Lorenzo

Alisha started at the credit union in August 2018 as a teller, and now serves as our Real Estate Loan Officer. She was born and raised in Atchison, Kansas, but has lived in Leavenworth county for 5 years. She found her forever home with her husband Jeremy and 2 Children, Kaelynn and Wyatt. She enjoys traveling with family, and spending time doing activities with her 8-year-old daughter and 3-month-old son. Her favorite summer time activity is hanging out in the dugout watching her daughter play softball!

Dividends on Accounts

The Board of Directors has declared a dividend of 1.25% for the 2nd quarter of 2019. This is an APY of 1.25%.

Worlds of fun has changed the way they offer member discounted tickets. All tickets sales are done online. Therefore, we no longer have tickets in the office. Visit our website and find the direct link to the online store.

The credit union is now offering a free basic checking account for any member who does not qualify for a student or elite checking. This is a non interest bearing account and you must sign up for e-statement to get this checking option. For more details call or visit our website.

Don't forget we are running our \$1,500(max) summer loan special. We call this our vacation loan special but you can use this for many purposes such as sending your kids to camp, or other fun summer activities for you and your family. This is an unsecured loan with a 2% discounted rate off your regular qualifying signature loan rate with a one year payback option. This offer will end on August 30, 2019.
